CALL FOR PROPOSALS: 1440 MINUTES

Theme: Economic Creativity

Installation: Beginning, Thursday, June 18 at 5 PM

Reception: Friday, June 19, 5 PM

The Gallery of Contemporary Art at UCCS and IDEA @ Colorado College are excited to announce the second presentation **1440 Minutes**, a joint public program supporting Colorado contemporary artists. **1440 Minutes** is a twenty-four hour art installation and exhibition event, curated around the theme of “Economic Creativity”. Great innovations arise in times of crisis; these innovations drive future economic and cultural growth. Economic Creativity invites artists to examine how, during this time of great change, we can – and should – use or re-use elements of our personal, cultural, and material past to re-envision a healthy, sustainable future.

Submissions from individual artists and collectives are now being taken to participate in the exhibition. Selected projects, which may include 2D, 3D, video, performance, installation, or conceptual pieces, will be exhibited in the FAC Modern. Artists will be responsible for installation, de-installation, and all associated labor and costs. Artworks must be able to be fully installed in under 24 hours. Installations will begin at 5 PM on Thursday, June 18 and must be completed by 5 PM on Friday, June 19, 2009. The reception will be held on Friday, June 19, 2009, 5-8 p.m.

Three cash prizes of \$500 will be awarded by a panel of jurors.
